TREASURER, AUDITORS,
COUNTY SOLICITOR

COMMISSIONERS' REPORT.

To the Citizens of Hillsborough County:

In compliance with the provisions of the Public Statutes of the State of New Hampshire, the County Commissioners submit this, the seventy-fourth annual report of the County of Hillsborough, for the year ending December 31, 1920, containing the report of the Superintendent of the County Farm, Treasurer and other County Officers.

The management of the County institution at Grasmere, under John W. Center as superintendent, Mrs. Center, matron, and John L. Wentworth, assistant superintendent, has been highly satisfactory. The products of the farm have been equal, if not beyond any previous years.

The hospital has been under the very efficient management of Dr. Damase Caron of Manchester as superintendent and Dr. E. B. Swett, assistant. Miss Addie M. Moore has been retained as matron and superintendent of nurses and Mrs. Jessie R. Corey as assistant. We feel that our hospital with all its appliances has done splendid work. There is urgent necessity for a laundry in connection with the hospital. One very desirable improvement would be a water sprinkler system for the entire institution.

The jail is still under the capable management of Sheriff John T. O'Dowd as jailer and Mrs. O'Dowd as matron and we think it well and economically managed.

There have been no extensive improvements at the farm during the year. Only necessary repairs have been made on county buildings.

The number of prisoners at the farm has been small, and much of the work has had to be done by hired help. We wish to call attention to several items that have added to the

heavy expenditures for the past year. First, the cost of the care of children at the various Homes has been raised two dollars per month, which means about one thousand dollars per month or twelve thousand dollars per year. Second, the coal situation, as every one knows, has been very acute, it has cost the County over ten thousand dollars more for coal this year than last. Third, the sad effects of the influenza leaving many large families destitute by the death of husbands and fathers.

We respectfully invite members of the Legislature and all persons interested to visit the various county institutions and examine them in all respects, particularly into the treatment of inmates and all details of management.

We extend our thanks to the selectmen and overseers of the poor, and all others who have been of assistance to the commissioners in their work.

Respectfully submitted,

CHARLES W. STEVENS,
GEORGE J. GINGRAS,
JOHN J. BAKER.

County Commissioners.

CHAPLAINS' REPORTS.

To the Honorable Board of Commissioners of Hillsborough County:

Gentlemen—I have officiated at 14 funerals during the year and held services twice a month in the chapel.

Service for the inmates has been about the same as in former years, although the number of prisoners has been greatly reduced on account of prohibition.

My work as chaplain has been made pleasant by your helpful and kindly attitude for which I wish to thank you.

I wish also to thank Superintendent and Mrs. Center for their kind assistance.

Respectfully,

E. C. GOODWIN.

December 31, 1920.

To the Honorable Board of the Hillsborough County Commissioners:

As chaplain to the Hillsborough County Farm, I have during the past year, held public services once a month in the chapel of the institution and visited the sick the day previous. I have had an average of two sick calls a week at the hospital and almshouse.

For their courtesy, that has rendered pleasant my spiritual ministration at Grasmere, I beg to thank Mr. and Mrs. Center, Miss Moore and other officers of the institution.

Respectfully yours,

REV. PAUL DESAULNIERS.

STATEMENT.

To the Hillsborough County Delegation and to the Taxpayers, Generally:

GENTLEMEN—For those who take the pains of studying the report of the County Treasurer, they cannot fail to arrive at the conclusion that the county increases its deficit yearly by a substantial margin. First, because the taxes are too low (they should be increased 40% to 50%); second, the other incomes are small; third, the high cost of materials, labor, food, etc., are the chief causes that the county cannot meet its obligations with these incomes, without having recourse to borrowing large sums of money at a high cost of interest.

On the other hand, I wish to state that the Sinking Fund has been increased to \$18,000.00, leaving a net bonded debt of \$72,491.55.

Furthermore, no one will contest that the business of the county is yearly increasing, and on account of this fact, the county officers and their clerks should be more remunerated. Their salaries are insufficient and inadequate with the amount of work that is done in every department.

Respectfully yours,

GUSTAVE LAFONTAINE, M. D.,
County Treasurer.

SUPERINTENDENT'S REPORT.

To the Honorable Board of Commissioners for Hillsborough County:

GENTLEMEN :

I hereby present to you my report as superintendent for the year ending December 31, 1920.

We have been blessed with bountiful crops in the last year. The vegetable crop, I think, having never been surpassed, if equaled in the history of the Farm.

The high prices which we had to pay for everything we purchased, especially the coal which cost us about double the money which we paid the previous year, have made it impossible to make as favorable financial showing, as we would like.

Our only consolation is that other institutions have undergone the same difficulties.

Our buildings, engines, boilers and machinery are now reaching to that age in which they constantly require more or less repairing, renewal and attention.

We have heartily appreciated the cost of all this, when we have been obliged to employ the labor of outside mechanics.

To all friends who have furnished books, magazines and newspapers, gifts and other forms of entertainment to our patients I extend hearty and sincere thanks.

I also thank the physicians and chaplains for the able care and attention which they have extended to our charges.

To the officers of the institution who have so cheerfully and painstakingly attended to their duties, making the home pleasant for its inmates and agreeable to myself I extend my own and the county's thanks.

To you, Commissioners, no words of mine can convey the appreciation which I have, for the aid, support and co-operation which you have extended to me at all times.

Respectfully submitted,

JOHN W. CENTER,
Superintendent.

REPORT OF COUNTY PHYSICIAN

To the Honorable Board of Commissioners of Hillsborough County:

GENTLEMEN:

The Hospital's records show that we had 487 cases treated at our Institution during the year 1920 and an average of 77.8 patients per day. The increasing number of patients speaks in favor of the necessity of our institution and in the efficacy of its management. I call your attention to the fact that the men Tubercular Ward has been almost empty for at least six months of the year, but on the other hand the women Tubercular Ward has been filled very nearly to its capacity the whole year.

These Patients have been attended to as usual by Dr. E. B. Swett, assistant superintendent or myself, by making daily visits to the institution.

Miss Addie M. Moore still continues successfully at the head of training school for nurses, of which six graduated during the year. In this work and in the supervision of the Hospital Miss Moore has been well seconded by Miss Jessie N. Corey, the Assistant. Lectures have been given as usual by a few physicians.

To all those who have assisted us in any way, we extend our thanks.

Respectfully submitted,

DAMASE CARON, M. D.

County Physician.

AUDITORS' REPORT.

The undersigned, auditors for said county, report that they have examined the accounts and vouchers of the county commissioners and treasurer, as required by law, and find the accounts correct and well vouched. We are of the opinion that the sums charged therein for articles purchased are according to the market value, and said articles have been used for the benefit of the county.

FRANK TUCKER,

Auditors.

Clerk of Superior Court.

SOLICITOR'S REPORT.

To the Honorable Board of Commissioners of the County of Hillsborough:

GENTLEMEN: From December 31, 1919, to December 31, 1920, the Grand Jurors returned 133 indictments which were disposed of as follows: 12 State Prison sentences, 46 Jail sentences, 4 sentenced to the House of Correction at Grasmere, and 4 sent to the State Hospital at Concord. These State Prison, Jail and Goffstown sentences would include suspended sentences. Of the 133 indictments, 11 were sentenced to actually serve time. The rest were suspended or continued for sentence or nol prossed.

There were also 64 appeal cases from police courts. Of these 21 were continued for sentence or sentences suspended, 26 were nol prossed and the balance paid fines or costs.

There was one indictment for murder against Charles Smith who was sentenced to from 2 to 5 years in State Prison, and one for manslaughter against Lester Lund who was sentenced to one year in jail.

There are several cases both appeal and indictments now pending for the reason that there are civil cases pending therefore the civil case has precedent.

In the September term a general clean-up was made, and in most cases bail was called or cases were nol prossed or pleas entered. I have continued the policy of giving the first offenders an opportunity to reform and given them suspended sentences under the prospect of reformation on the part of the accused.

Respectfully yours,
TIMOTHY F. O'CONNOR,
County Solicitor for Hillsborough County.
